With thanks:

My family, always.

Michael Headrick, Erick Barma, and Co_residency for their financial and moral support and for making this project possible, and to the other Co_residency Fellows for their art, advice, and kind words.

Nay Soursinho for her friendship and her sharp eye.

Anthony Cody for his friendship and advice.

populations before European written records were made.
and that's stopping. But then they — then the virus came in, and
After the epidemics had already killed massive numbers of natives, many newer European immigrants assumed that
the world is a different place. But we're now getting back,
there had always been relatively few indigenous peoples. The scope of the epidemics over the years was tremendous,
and one of the reasons the market is doing so — it's almost at the point that it was at
killing millions of people—possibly in excess of 90% of the population
prior to the plague. Almost. We're getting very close. It's a great thing. It's an
in the hardest-hit areas—and creating one of “the greatest human catastrophe in history, far exceeding even the disaster of the Black
amazing thing, what our people have done and what they've
Death of medieval Europe”, which had killed up to one-third of the people in Europe and Asia between 1347 and 1351.
endured.

life cycle of a plague

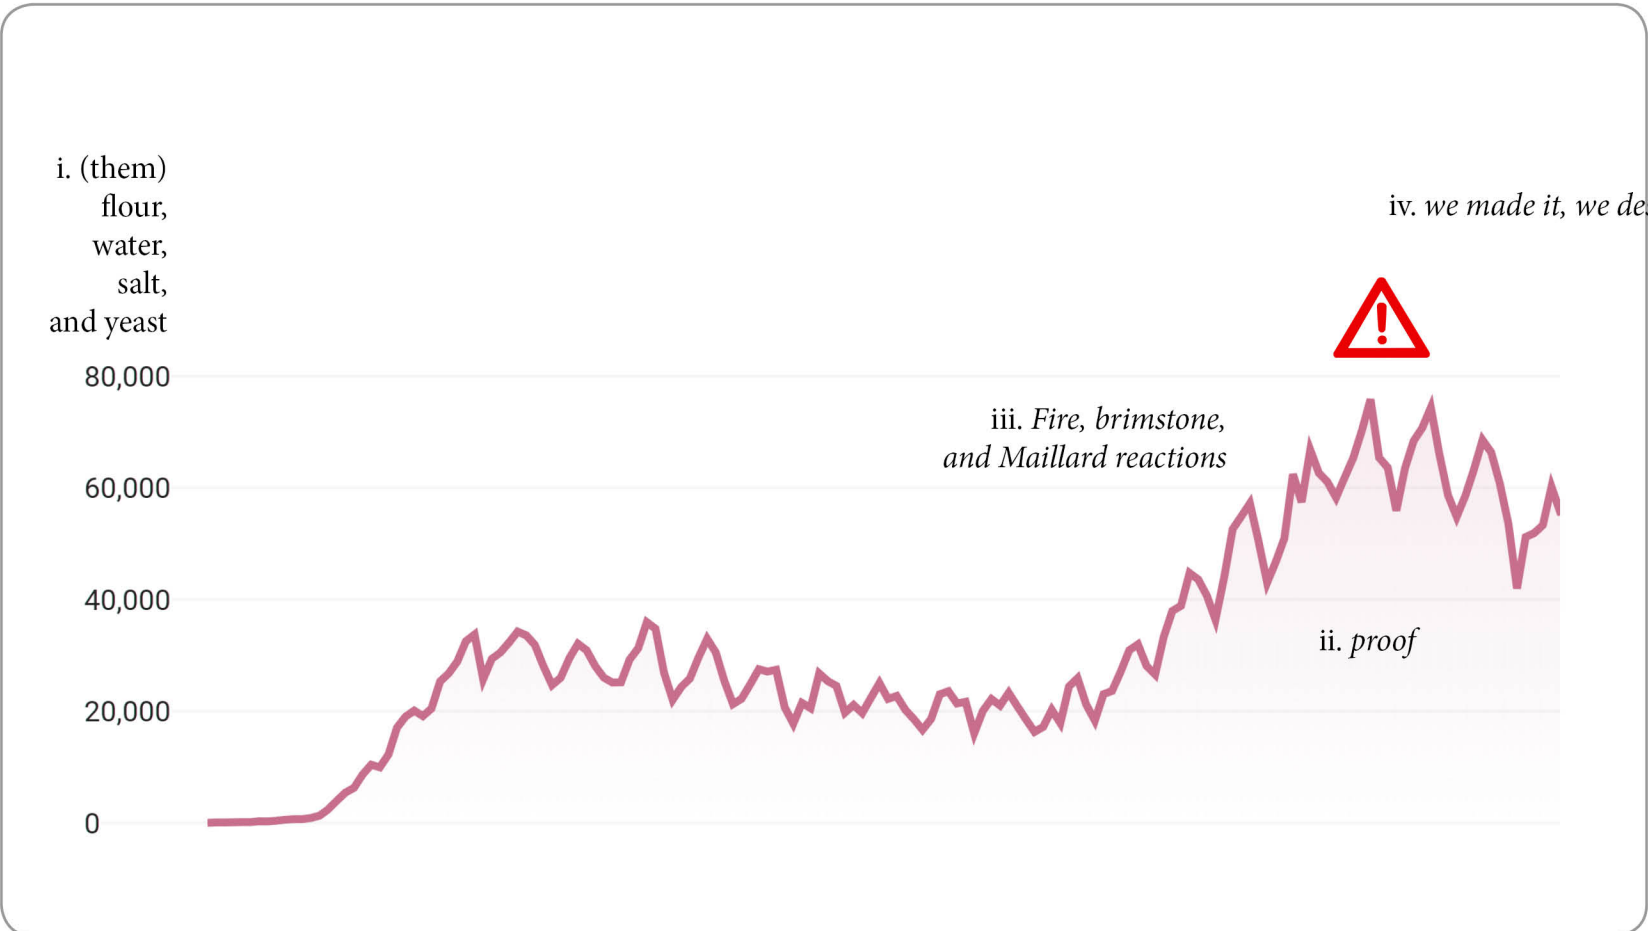

1. invoke a terrifying internal and external enemy.
2. create concentration camps where torture takes place.
3. develop a paramilitary force not answerable to citizens.
4. institute internal surveillance system.
5. infiltrate and harass citizens' groups.
6. engage in arbitrary detention and release.
7. target individuals.
8. control the media and the press.
9. cast crime as espionage and dissent as treason.
10. subvert the rule of law.

WE
WANT
YOU

TO
STAY
OPEN

Face coverings are required for your safety and ours.

Do ...

you ever wonder if maybe government exists (in the best of circumstances but even perhaps in the worst) to protect us and our families

Don't ...

you ever wonder if maybe family exists primarily to drive us through the terror of government

Thanks for shopping!
